Youth Find Fun & Adventure At Camp Fire USA Summer Day Camps

Monroe, Michigan – For kids, summer time means sun, fun, adventure, and no homework. This summer, youth Kindergarten through 7th grade have the opportunity to enhance their summer time experience by attending Camp Fire USA Wathana Council's Summer Day Camps.

This year, Camp Fire USA is partnering with the Monroe Public Schools and the Bedford Library to bring two separate summer day camps to Monroe County. The children at each camp will get a chance to experience Arts and Crafts, Leadership Skills, Sports and Games, Team Building, Reading and Storytelling, Journal Writing, Conflict Resolution, Cultural Awareness, Self-Reliance Skills, and much more. The Monroe County Library System will provide programming in computers as well as bring in entertainers to keep the kids busy.

“Every year the children have really loved our summer programs. It allows them to be kids, put smiles on their faces and truly enjoy the daily activities we have scheduled for them, said Jodi Truel, Camp Fire USA Program Administrator. The kids are in a safe environment and aren't subjected to dangerous situations such as drugs, crime, or violence.”

Camp Fire USA's Summer Day Camps will be held at the Cantrick Learning Center, located at 1008 Riverview Avenue in Monroe and the Bedford Library, located at 8575 Jackman Rd. in Temperance. Both camps will start Monday June 28, 2008. The Cantrick Learning Center camp will run Monday through Friday from 9am to 3pm for 5 weeks and the Bedford Library Camp will run Monday, Wednesday, and Friday from 10am to 3pm for 6 weeks. Space is limited, so call Jodi Truel at 734-240-2840 to pre-register your child now!
