## SOUTHEAST MICHIGAN COUNCIL NEWSLETTER

### Letter from Executive Director

I would like to send a thank you to all Camp Fire supporters. In this coming year Camp Fire USA has adopted a new and exciting campaign that I would like every club to get onboard with, it is the "Kids Caring for Kids" Campaign. This is a push for all kids to lend a helping hand to other less fortunate kids in your communities. Camp Fire USA's motto is "Give Service" and what better way to do this than to help out children in your community that have been hit hard by these trying times we are facing. A Gift of Giving is a service-learning program that teaches kids about community service through hands-on experience. A Gift of Giving personalizes remote problems and makes them real. It bridges the gap between the giver and the receiver so that the children feel a direct relationship to people they help within their neighborhood or community. The program also gives children the opportunity to assist with a social problem they feel strong about. If you are planning on doing a community service project this year, please select something that will fit with the "Kids Caring for Kids" Campaign.

**Happy Holidays and WO HE LO to all!**

WYCD brought in Country Singer Tracy Lawrence who held a charity concert and all proceeds went to Camp Fire kid programs. WYCD was also instrumental in having Famous Dave's cater the event. It was a

beautiful day and was enjoyed by all that attended.
